The 1970 VALHALLA emphasizes our school's nickname "Vikings." The visions of a Viking involve the faculty and students in plans which the Viking carries out in his ventures — the school's activities — and finally achieves his victories.

In Memory of . . .

David Kent Bradberry

April 23, 1953 - July 25, 1969

Worth

It is not what the world gives me
In honor, praise, or gold;
It is what I do give the world,
So others do unfold.

If by my work through life I can
Another soul unfold,
Then I have done what cannot be
Made good, by praise or gold.

One tiny thought in tiny word
May give a great one birth,
And, if that thought was caused by me,
I lived a life of worth.

-Richard Wolfe

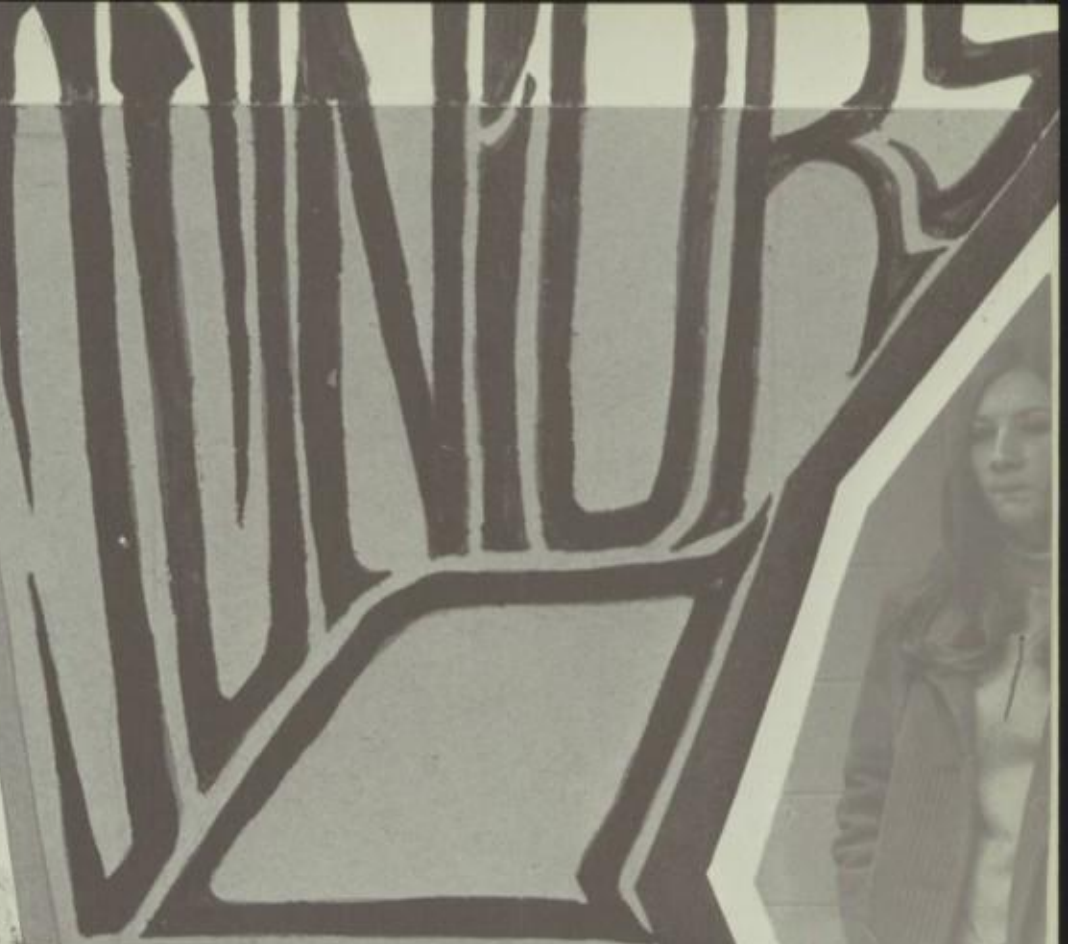

"I remember David in three ways. First of all, he was a clean young man. I remember very well the times I saw him. He was always neatly and appropriately dressed. Even in his old blue jeans, he was neat and clean. He was also clean in speech and character. Secondly, David was cheerful. His fellow students and neighbors looked forward to the smile on his face and his cheerful hello when he passed by. Thirdly and most important, David was a Christian. I had the joyous privilege of baptising him. He was dedicated to a wonderful cause and showed a great spirit in doing things for others."

IT IS NOT CLEAR yet exactly how much money will be spent for impacted-area assistance this year. The vetoed about 600 million dollars for all kinds of "federally" programs. This aid is one of the nation's largest and affects 384 congressional districts. The administration office is working to his appearance.

ed to and read many such responses to the Special Convention II held in South Bend and am disgusted at the attitude of the commentators. I am by the Special Convention that action assumed by this and other newspapers. Church funds were the National Committee of Women (NCBC) or the Black development.

Mr. Henley might also want to check his sources as to why the Diocese of Mexico has halted its contribution to the National Church. It is not to South Bend, but because of the Executive Council of the diocese over the diocese of New Mexico.

REMEMBER ...

- ... When our colors were only kelly green and white?
- ... Band Boosters' Sock hops?
- ... petition parties?
- ... Lisa with hair?
- ... riding buses from Woodlawn?
- ... Mr. Lee, Miss Donaldson, Miss Heath?
- ... Woodlawn's pep rallies?
- ... our pep rallies?
- ... lunch at 10:08 or 1:35?
- ... Willow Wood?
- ... good food?
- ... Nick's Sundries?

Some of these faces may be strange to you, the pictures unclear. They may not be much to those who did not attend Huffman High at Woodlawn. It is hard to capsule the memories of seven months in three pictures, but notice how we've changed. Compare our styles, our classrooms, and our appearances. Think of how our school has grown and how it has changed. For better or worst, this is our alma mater.

Ventures

"Devotion to a dream is not enough . .

The seeds of visions must blossom, living, into silent energy, a venture forth. As each Viking ventures forth, he is involved in the activities of his school.

*Huffman students are
equally talented as
musicians, actors,
and models.*

The Blind Al puts on a touching performance, as Larry Donnahoo harangues the crowd.

Cindy Gamble and Claire Cutcliffe pair up to wow the folks with "Up, Up and Away."

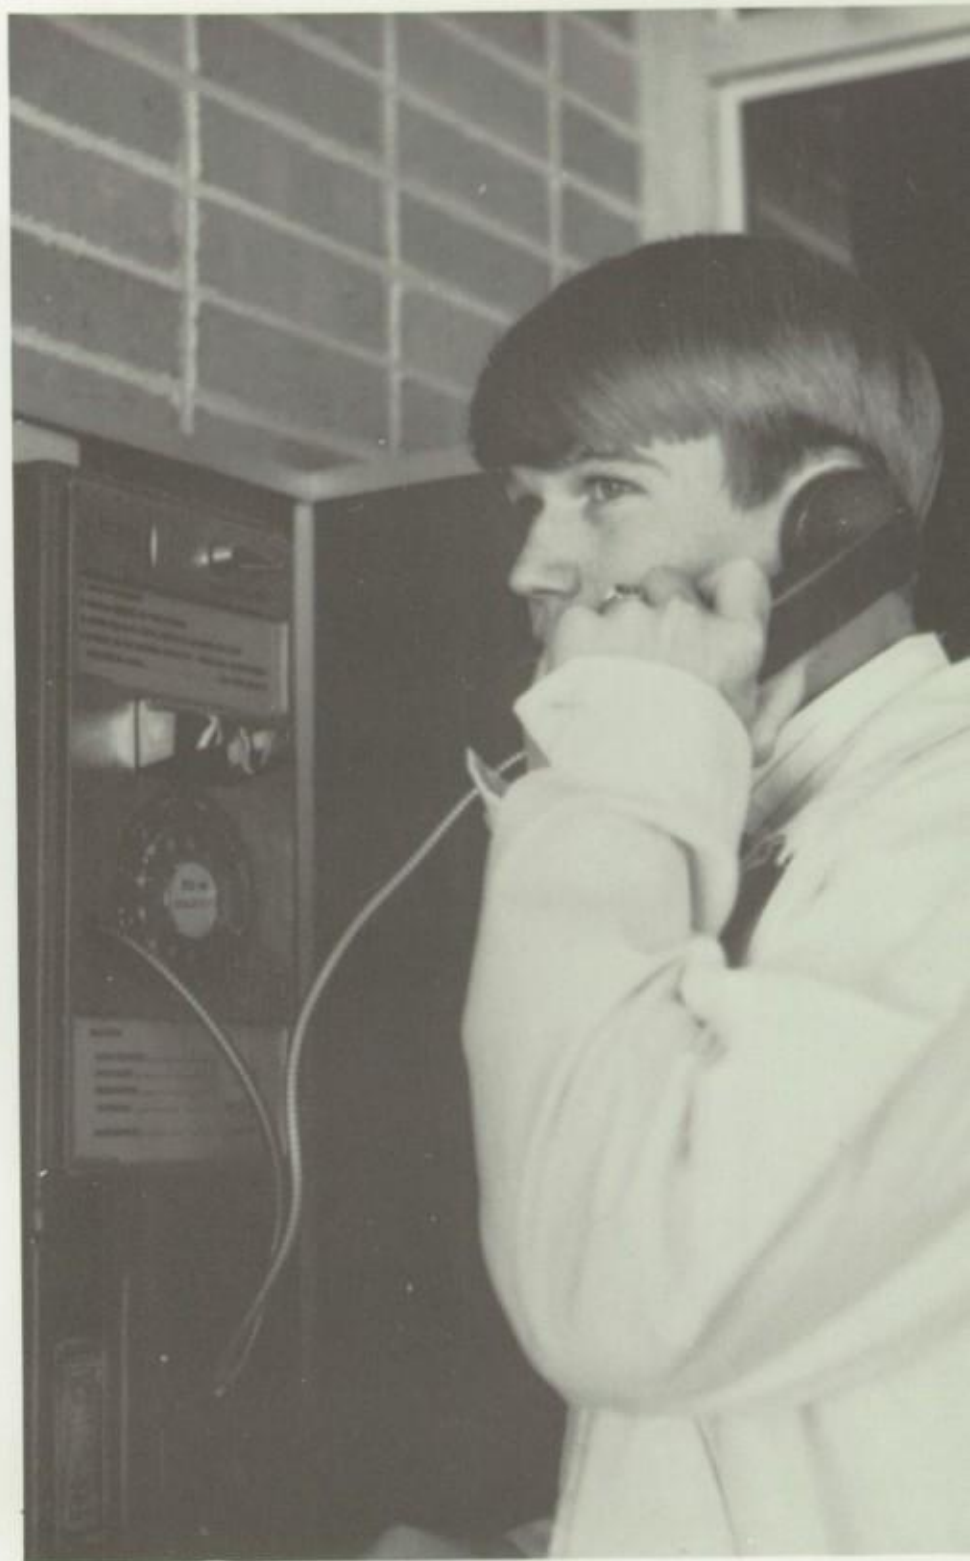

"God Bless Me."

David Sheram and Janice Niemzak strut about in their too-too duds.

Spring Fever . . . Even Huffman isn't immune

Just memories now,
The respites from study,
The fun, the foolishness,-
Together, the whole formless
Folly that made those years worthwhile.
Forgotten faces, melancholy of recall
As we realize our growth
And laugh at ethereal souvenirs.

Seniors Best
(hands down).

The wages of sin ...

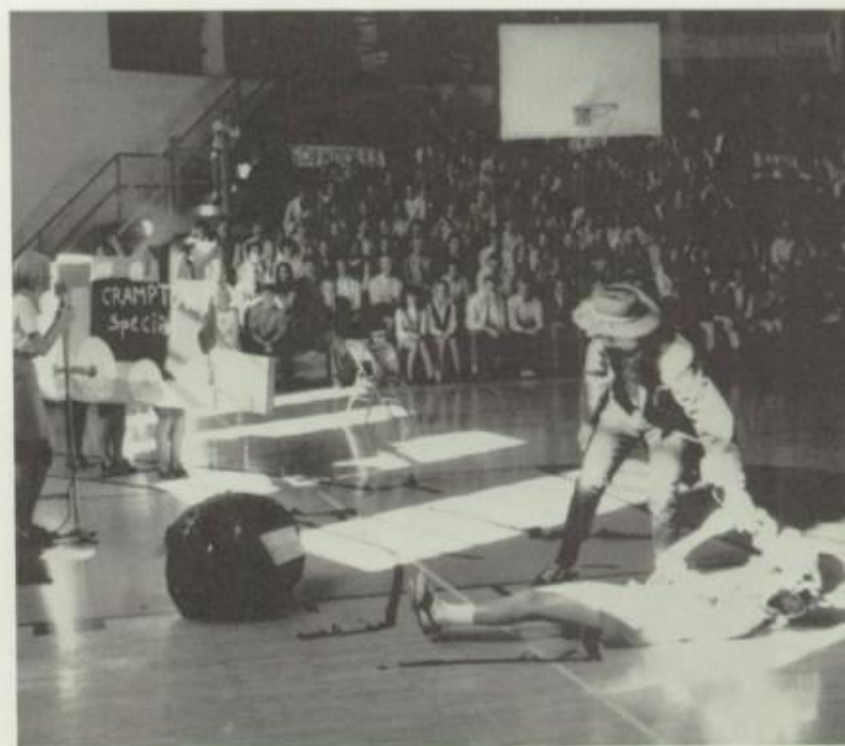

We voted for our officers after Joe Covington outlined his presidential qualifications ... while Jan Baxter emphatically built her case for the vice-presidency. Stressing his strength Dennie Gilmer persuasively addressed the student body; and Glenn Barnes, potential treasurer, leered his way into hundreds of hearts.

The only statistics that count proclaim a Huffman victory, as Erwin visits.

Physical fitness is stressed in full measure at Huffman. Good health, being important to every boy and girl, is the prime concern of the Physical Education Department.

Victories

"The glorious pain of victory ..."

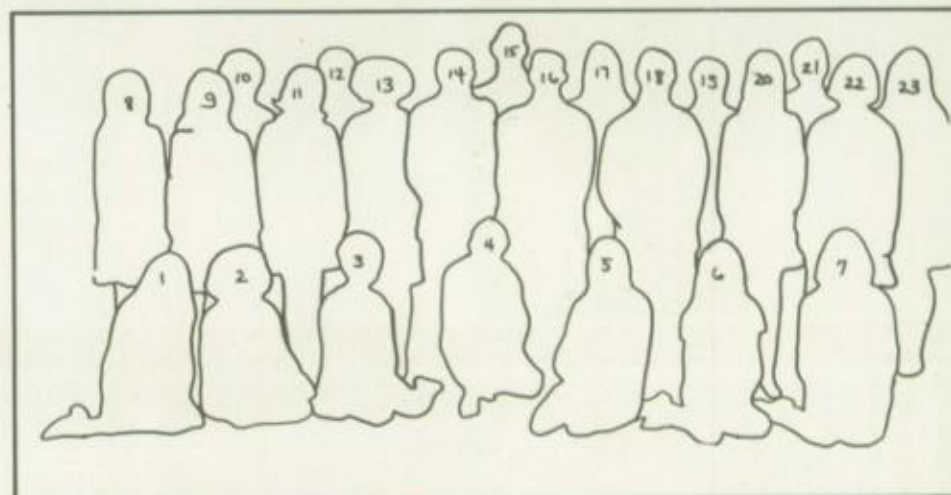

As visions become ventures, the Viking excels and receives his fruits of victory. In the Valhalla we show these victories in the clubs and awards given to our Vikings.

National Honor Society

The National Honor Society is composed of students whom the faculty have judged to be outstanding in character, scholarship, leadership, and service. The present membership is composed of seniors who are responsible for honor roll recognition and other areas where by example they may encourage N. H. S. ideals.

We've tried to preserve the many memories of the past school year. Amid mess, an imminent deadline, lost pictures and general chaos, this annual finally got published. Although it may have caused many drops in grades and a few nervous wrecks, we really enjoyed doing this annual.

Art Club

The Art Club, under the supervision of Mrs. Howell, does much for the school through varied artistic endeavors. The club has a membership of hard-working young people who wish to better their abilities through artistic service.

Apprentice Thespians

The Apprentice Thespians is the largest and most active club at Huffman. Encouraged by the completion of our new auditorium, they have participated in all Huffman High School dramatic activities this year. The members have realized the necessity of a complete drama department, and are working to supply Huffman High with the basics needed for all dramatic productions - costumes, flats, props, and make-up. By preparing productions, the students are working to become part of the National Thespian Society, the highest achievement for a high school dramatist.

Le Cercle Français

The French Club is one of the larger and more active clubs in HHS. Under the guidance of its sponsor, Mrs. Yearout, the club hopes to promote interest in French. It has many activities: doughnut sales, parties, initiations and the ever popular car wash. These were all planned in the hopes of buying tapes to donate to the language department.

The Junior Red Cross Council consists of elected session room representatives. Under the guidance of Mrs. Donalson, who received the Red Cross Youths' "Best First-Year Teacher-Sponsor Award," the council participated in many traditional RCY projects: making menu covers for the VA Hospital, collecting items for the men in Vietnam, and sponsoring First Aid training at Huffman. On Saturdays, students in clown attire entertained children on the pediatric ward of University Hospital. They also have planned a community blood drive.

Their president, Jan Baxter, has been selected for the Red Cross Regional Youth Planning Committee.

The Latin Club and Junior Classical League are the "party bunch" of the school. Banquets are attended by pseudo - Romans in togas as we reciprocate with other high schools in the area and top the parties with the state convention in the spring. In a more serious vein, we schedule classical programs and plan for special gifts to the school.

The Warrior and Maiden

Anne Gilbert and Michael Stewart

Long ago, the nobler facets of Viking life found their finest expression in the warrior and the maiden. Personifying the hidden strength of the chill seas on which he sailed, the warrior was admired for his physical prowess, respected for his dynamic character. The maiden symbolized purity, beauty, and piety — the fairest flower of Nordic womanhood. In like fashion, the Valhalla staff seeks to recognize a young man and young woman who exemplify in many ways the total Huffman High student. Selected for their varied contributions to student welfare and maintenance of outstanding academic status, Mike Stewart and Anne Gilbert reign as 1970 Warrior and Maiden. It is to be noted that the two were adjudged such by the faculty, which scrutinized the credentials of many capable students before bestowing these honors upon Mike and Anne.

MRS. RIGGINS, Sponsor

The past year has been filled with excitement, fun and lots of hard work for the 1969-70 Cheerleaders.

Under a new sponsor, Mrs. Riggins, the cheerleaders worked hard (all summer long) three hours a day.

In July, they spent an exerting week at Jacksonville State and took four first-place ribbons and the over-all second place in the clinic.

The spirit has been great this year and the student body, led by the cheerleaders, has supported our team to its greatest capacity.

Awards presented to senior beauties

Homecoming Queen Dale Davis

Miss Dale Davis was crowned 1969-1970 Homecoming Queen. Marsha Sherer was named first alternate and Mary McCullough was named second alternate.

Miss Fire Prevention Debbie Cook

Miss Fire Prevention is a coveted title for any young woman to hold. Debbie Cook, an outstanding senior student, not only defeated other Huffman girls, but went on to become Birmingham's Miss Fire Prevention.

Christmas Seal Princess Debbie Melville

Debbie Melville is Huffman's Christmas Seal Princess for 1969-1970. Debbie, a senior, was selected by vote of the student body. She represented the school in the Christmas Seal Parade.

National Honor Society holds first tapping ceremony

The National Honor Society held its first tapping ceremony on January 28, 1970. Members explained the requirements for membership in the society; Character, Scholarship, Leadership, and Service. Twenty-one new members were installed by Mr. Tarrant.

The parents of the new members joined their sons and daughters at a reception.

New members are: Barry Moore, Doug Blackburn, Nancy Moss, Debbie Beech, David Wideman, Steve Dickey, Susan Herron, Condi Crow, Debbie Cook, Regina Beck, Debbie Blackmon, Debbie Middleton, Cathy Cates, Cathy McCugh, Catherine Bean, Jackie Johns, Shirley Johns, and Bill Cope. NOT PICTURED: Sara Lindsay.

Five girls have completed the requirements for membership in the Olympian Honor Society. The organization has recognized their outstanding achievements in the physical education program. Pictured are Susan Smothers, Zane Edmunds, Judi Warden, Becky Lewis, and Landis Hamilton.

The Quill and Scroll Honor Society installs new members

Mr. Tarrant installs the new members.

Mrs. Thelma Young, for whom the chapter is named, is presented with an engraved silver tray, a gift from members of the Quill and Scroll.

MISS NANCY BOYER, Sponsor.

The Quill and Scroll Honor Society recently tapped eight new members. These people have done outstanding work in the field of journalism and are in the upper third of their class. New members are: Sherry Clements, Melanie Hawkins, Jeanie Page, Janis Vines, Debbie Blackmon, Carol Blue, Jill Hopper, and Suzanne Penuel.

Drama Department announces charter thespians

The charter for the Huffman High School troupe of the National Thespian Honor Society was granted in February, 1970. Thirty-seven students who had fulfilled all requirements for membership by participating in dramatic activities, by acquiring a minimum number of value points, and by receiving the recommendation of their teachers and troupe sponsor were officially initiated into the Huffman troupe in May, 1970.

You cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves.

I've always known you, but not until this year did we become friends. I couldn't know a sweeter person as you've been.

Always stay as tuff as you are now and you always be well-liked and popular in college and throughout life. I'll be sorry to see you and the rest of the seniors leave but I know you are all looking forward to college. Good luck and God Bless you in every way. May life fulfill you with all the happiness you desire.
